

SILKOLENE MAINTENANCE AEROSOLS

Description

A comprehensive range of maintenance products, specifically designed for all types of motorcycles. Constant development ensures the range incorporates the latest technological advance.

SILKOLENE ALL-IN-ONE

SILKOLENE ALL-IN-ONE is a premium multi-purpose, moisture repellent spray with many uses including cleaning, protecting and lubricating. SILKOLENE ALL-IN-ONE can be used in and around the home, garage and workshop. With excellent de-watering properties, it repels moisture, penetrates corroded threads, lubricates and even offers corrosion protection..

NOTE: May affect certain rubbers and plastics.

SILKOLENE SILKOPEN

SILKOLENE SILKOPEN is a graphited penetrating spray which helps release seized thread fasteners. SILKOLENE SILKOPEN contains a suspension of very fine graphite dispersed in a light, searching carrier fluid. SILKOLENE SILKOPEN can also be used to lubricate and clean cables and when used with a cable oiler.

NOTE: May affect certain rubbers and plastics.

SILKOLENE PRO PREP

SILKOLENE PRO PREP is a high quality water repellent, hard surface conditioner which provides a micro barrier against dirt and unwanted deposits. Safe to use on all exposed bodywork to make cleaning easier and helps restores the colour and finish of plastics and painted surfaces. SILKOLENE PRO PREP also retards metal corrosion and inhibits the further adhesion of dirt and mud.

SILKOLENE PRO PREP gives that elusive "factory finish" and also ensures smooth operation of plastic moving parts. Helps to waterproof and insulate ignition systems.

NOTE: Contains silicones: Do not use where painting is carried out. Do not use on windscreens.

SILKOLENE BRAKE & CHAIN CLEANER

SILKOLENE BRAKE AND CHAIN CLEANER is a powerful solvent cleaner for degreasing unwanted deposits and oil from brake components and drive chains whilst maintain performance. Safe to use on seals and hoses.

SILKOLENE INJECTOR AND CARB CLEANER

SILKOLENE INJECTOR AND CARB CLEANER is a powerful solvent-based cleaner designed to dissolve gums and resins that build up in carburetors and injectors allowing smoother operation and maintained engine performance.

SILKOLENE CONTACT CLEANER

SILKOLENE CONTACT CLEANER is a powerful solvent-based cleaner designed specifically for cleaning electrical components and precision parts. SILKOLENE CONTACT CLEANER leaves no residue and is perfect for cleaning spark plugs and dirty points.
